

TRACTÉE 1000 A

TRACTÉE 1000 A

Rabaud
advantages

- Adaptable to all carriers with Ø 50 mm ball hitch: ride-on mower, quad, micro-tractor, behind a horse...
- Autonomous operation : mechanical broom drive via two wheels.
- Working width of 1.00 m
- Metal hub and 6-row fibre chevron brush.
- Very strong and very resistant brush thanks to the metal hub.
- Wide and solid wheels : for greater durability and grip.
- 150 L collecting box (useful capacity of 100 L) with manual release.
- Options : side brush, collecting box special for leaves with total capacity of 380 L (useful capacity of 250 L).
